**Re: Revisions to the Direct Testimony of Trevor R. Roycroft, Ph.D.
Verizon-Frontier Wireline Divestiture
Docket No. UT-090842**

Dear Mr. Danner:

Enclosed please find the originals and fourteen (14) copies of the replacement pages for the Revised Highly Confidential Testimony of Trevor R. Roycroft, Ph.D., on behalf of Public Counsel, for filing in the above-entitled docket. Enclosed also is the original and one copy of both Dr. Roycroft's Revised Confidential Direct Testimony and Revised Redacted Direct Testimony. The revisions correct for computational and typographical errors. Immediately upon learning of these errors, Public Counsel informed all parties (by email on November 10, 2009) that it would be filing these corrections.

The corrections to Dr. Roycroft's testimony are limited to four pages:

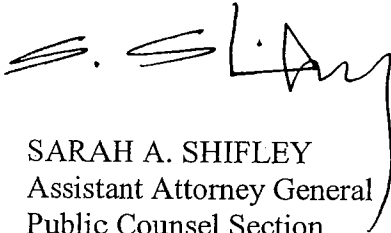

- Updating the title page to indicate "REVISED—NOVEMBER 13, 2009."
- Page 76, which replaces "Figure 4: Spinco OOS Trouble Compared to Remaining Verizon Properties" in its entirety, and updates the related discussion of Figure 4 in lines 9-16.
- Page 93, at lines 23 and 27.
- Page 105, at lines 6 and 16.

Due to the voluminous nature of Dr. Roycroft's testimony and the limited number of corrections made in the revised testimony, Public Counsel is providing only the replacement pages in hard copy and the complete versions electronically via email.

Sincerely,
