Re: Docket No. TG-131794 - *Washington Utilities and Transportation Commission v. Waste Control, Inc.*

Dear Judge Kopta:

Pursuant to the prehearing conference held in this matter on January 14, 2014 and the Prehearing Conference Order No. 3 referenced yesterday, this is to request that the hearing schedule also accommodate a mediation pursuant to WAC 480-07-710, or its equivalent, between the parties. The Assistant Attorney General and the undersigned now propose that it be inserted between the Staff case filing on March 26, 2014, and the rebuttal cross-examination testimony scheduled to be filed by April 14, 2014. The parties would tentatively list Wednesday, Thursday or Friday, April 2 through 4, 2014 as dates for that mediation, and believe that half a day would be sufficient to reserve for the mediation.

We thank you for your consideration and assistance in this matter.

Yours truly,

David W. Wiley
