The attached Form 690 Report is filed pursuant to Section 54.1009 of the FCC’s Rules and covers the areas in the State of Washington in which U.S. Cellular submitted winning bids in the FCC’s Mobility Fund Phase I auction.

Accordingly, pursuant to RCW §80.04.095 such information should not be subject to inspection or copying under RCW Chapter 42.56. Moreover, the records designated as "confidential" contain valuable formulae, designs, and research data, the disclosure of which would produce private gain and public loss and should be exempt from public disclosure pursuant to RCW 42.56.270(1).
