EXHIBIT 2
WA 360/564 NPA Overlay Customer Education Subcommittee Milestones

#	Customer Education	Responsibility	Target Date	Status	Comments
1	Customer Ed Subcommittee Kick-Off Meeting	All Carriers	7/20/2016	Complete	
2	Develop Customer Ed milestones	All Carriers	7/20/2016	Complete	This is a living document and can be modified as needed.
3	Supply verbiage for first customer notification	Tri-Chairs	8/30/2016	Complete	Will discuss & approve final draft at next meeting - 9/28/16. No objections or corrections to draft sent on 9/13/16 - final.
4	Issue first customer notification	All Carriers	12/28/2016		Generally, should be in customers' hand 30 days prior to permissive 10-Digit Dialing
5	Supply verbiage for permissive Press Release to committee	Tri-Chairs	11/30/2016	Complete	Tri-Chairs will provide to UTC staff & committee - draft provided as part of this meeting maker. Final copy will be distributed after meeting.
6	Issue permissive Press Release	All Carriers	1/20/2017		Begin a week before permissive dialing.
7	Send Special letters to Alarm and Safety, Directory, Pay Telephone & PSAPs. Also letters sent to Tribal Leaders.	Tri-Chairs	10/30/2016	Complete	Initial overlay notification to special organizations/associations to inform them about the local dialing changes and the new area code.
8	Develop language for use in Directories to alert the consumers of 10-digit dialing and the new area code	All Carriers who Publish Directories	On-Going		Carriers to handle with each of their publish directories. As directories are due, the 360 NPA Overlay information will be updated and distributed and 10 digit dialing for NPAs 206, 253, and 425.
9	Permissive Dialing begins	All Carriers	1/28/2017		
10	Supply verbiage for second customer notification	Tri-Chairs	1/25/2017		Tri-Chairs will supply verbiage for ALL second notifications by January meeting.
11	Issue second customer notification	All Carriers	6/29/2017		Generally should be in customers' hands 30 days prior to mandatory.
12	Send Special letters to Alarm and Safety, Directory, Pay Telephone & PSAPs	Tri-Chairs	3/30/2017		Second notification to remind and ensure necessary updates are completed prior to the mandatory dialing date.
13	Supply verbiage for mandatory Press Release to committee	Tri-Chairs	5/24/2017		Tri-Chairs will provide to UTC staff & committee
14	Issue mandatory Press Release	Commission & Carriers who are able	7/20/2017		Sometime during the week before mandatory.

15	<i>Mandatory Dialing begins</i>	<i>All Carriers</i>	<i>7/29/2017</i>		
16	<i>First Code Activation in new 564 Area Code for the 360 NPA</i>	<i>All Carriers</i>	<i>8/28/2017</i>		

EXHIBIT 2
WA 360/564 NPA Overlay Technical Subcommittee Milestone List

#	Technical Implementation	Responsibility	Target Date	Status	Comments
1	Technical Subcommittee Kick-Off Meeting	All Carriers	7/20/2016	Complete	
2	Develop Technical Implementation Milestones	All Carriers	7/20/2016	Complete	
3	Obtain industry test code from NANPA and activate the test number	CenturyLink	5/31/2017		The industry test number: 564-564-1564. The test number will be active starting on 05/31/2017 through 10/27/2017.
4	Open the test code (564-564) in carrier's network	All Carriers	6/28/2017		Please ensure 564-564-1564 test code is opened in your network 06/29/2017.
5	LERG updates in BIRRDs or via AOCN. (i.e. routing changes, rehomes, change from 7 to 10 terminating digits at end office and at access tandem, etc.)	All Carriers	3/29/2017		Exception of paging carrier codes, all End Office Codes must be updated to reflect 10 TD-EO (Terminating Digit at End Office) and at Access Tandem in LERG as soon as possible. <i>All NPA's: 206, 253, 360 & 425</i>
6	Ensure Highway boxes are programmed with 10D dialing in all NPA's: 206, 253, 360 & 425	Tri-Chairs	4/29/2017	Complete	There are call boxes in WA - State Patrol & Dept of Transportation - call boxes will need to be updated 206, 253, 360 & 425. <i>Contacted Bill Legg with WA Transportation. He confirmed by email 11-1-2016 there are 193 Boxes in the Seattle area on the 2 floating bridges, but they auto dial 911 - no 7 or 10 digit numbers. No other Highway Call Boxes in WA.</i>
7	<i>Network Ready for Permissive Dialing</i>	<i>All Carriers</i>	<i>12/28/2016</i>		
8	Create Permissive Dialing Industry Contact List	All Carriers			Ongoing
9	<i>Permissive Dialing begins</i>	<i>All Carriers</i>	<i>1/28/2017</i>		
10	Earliest date central office codes in the new 564 area code may be ordered through NANPA	All Carriers	6/23/2017		
11	In 360 NPA geographic area, Establish 564 NPA Specific type of Trunks	All Carriers	7/29/2017		Operator Services trunks (0+, 0-, Directory Assistance (411)), E911 trunks, Intercepts. (If your carrier uses MF signaling, your carrier needs to establish separate trunk groups for 564 NPA calls. However, separate 564 NPA trunk groups are not required if your carrier uses SS7 signaling).
12	Completion of 10-digit signaling transition between carriers' networks in all NPA's (206, 253, 360 & 425)	All Carriers	4/29/2017		Carriers should ensure 10-digit signaling conversion is completed in their networks. (The 10D signaling conversion refers to carriers sending 10 digits of the called to party for all calls terminating in all end offices and access tandems in the existing 206, 253, 360 & 425 NPA regions.)
13	Send confirmation email to tri-chairs when # 12 has been completed	All Carriers	4/29/2017		
14	Update on all speed calling, call forwarding numbers and voicemail options in embedded databases to reflect 10 digit dialing in all NPA's (206, 253, 360 & 425)	All Carriers	4/29/2017		<u>Final check and update required for all switch programmed numbers. Some voicemail systems have options like paging or wake up call notifications where numbers are stored in 7 digits. Some of 211 and 311 numbers might be translated in 7-digits and require updates.</u>
15	Recorded Announcements in Place and Tested in all NPA's (206, 253, 360 & 425)	All Carriers	6/29/2017		
16	Create Industry Contact list	All Carriers	6/29/2017		Create Network Emergency Contact List for carriers.
17	<i>Network Ready for Mandatory Dialing</i>	<i>All Carriers</i>	<i>6/29/2017</i>		
18	<i>Mandatory Dialing begins</i>	<i>All Carriers</i>	<i>7/29/2017</i>
