On February 22, 2022, the Commission issued a Notice of Consolidation for Dockets TV-210535 and TV-210812, as well as a Notice of Opportunity to Submit Written Comments. - Tariff 15-C Item 102(5) – should the Commission require companies to make a separate contract for small goods transportation services or is a bill of lading sufficient?

- Tariff 15-C Item 230(2) – should the Commission require companies to bill in 15-minute increments or bill for actual time?
- Tariff 15-C Item 230(7)(a)(ii) – should the Commission modify the minimum number of hours carriers are required to charge for moves performed after hours, on weekends, or on state-recognized holidays?
