DOCKET NO. UT-050606

AGREEMENT TO MEDIATE

This is an agreement between Inland Telephone Company ("Inland"), Suncadia LLC ("Suncadia"), Intelligent Community Services, Inc. ("ICS"), the Public Counsel Section of the Attorney General's Office ("Public Counsel") and the Staff of the Washington Utilities and Transportation Commission ("Staff"), hereinafter "parties," and Ann E. Rendahl, assigned by the Washington Utilities and Transportation Commission ("Commission") pursuant to WAC 480-07-700(2), hereinafter "mediator," to enter into mediation with the intent of resolving issues related to the Commission's Complaint and Order Suspending Tariff Revisions against Inland in Docket No. UT-050606.

The parties and the mediator understand and agree to the following:

1. Mediation is a process of negotiation and reaching agreement in which the mediator assists the parties to reach a voluntary settlement. No party will be bound to a result unless that party voluntarily consents to be bound. No agreement to elements of a less-than-complete settlement is binding without the express written commitment of the participant.
2. The mediator has no power to decide disputed issues for the parties and cannot approve or disapprove any proposal. Matters that require Commission approval must be submitted to the Commissioners for approval.
3. The parties, with the mediator's concurrence, will determine the scope of the mediation, and do so early in the mediation process.
4. Statements during the mediation on the following topics are confidential and privileged, and may not be disclosed in any judicial or administrative proceeding, pursuant to RCW 5.60.070 and subject to the limitations set out in the statute: any communications made or materials submitted in or in conjunction with, the mediation, including, without limitation, statements of position, offers of settlement, tentative agreements to settle, admissions of fact or law, and similar statements.
