**Response:**

NW Energy Coalition and Front and Centered object to PSE’s Data Request No. 008 as misrepresenting or mischaracterizing the referenced testimony, assuming facts not in evidence in this proceeding, and as purporting to impose obligations upon NW Energy Coalition and Front and Centered in excess of those required by the Commission’s discovery rules (WAC 480-07-400 through 480-07-425). Without waiving such objections, and subject thereto, NW Energy Coalition and Front and Centered respond as follows:

Mr. Colton’s testimony did not develop data by Census Block Group. NW Energy Coalition and Front and Centered do not have the data requested at the Census Block Group level.
