Miles,

- (1) Your list of effective interconnection agreements is correct.
- (2) WilTel doesn't have interconnection agreements with Verizon in CA, DE, FL, MD, NV, NH, NJ, TX, WV, although we intend to request them in some of these states.

In addition, I confirm that our name has been changed in Washington state to WilTel Local Network, LLC. If necessary, I will send another letter to reflect this.

Subject: Williams Local Network, LLC -- Name Change

Mr. Kupetsky:

I am responding to your letter to Verizon dated June 15, 2004 (please see attached letter for reference) regarding the required name changes for Williams Local Network, LLC ("WilTel") in various States. Before processing the name change, I ran across a couple of issues that will require verification from you.

Verizon's records reflect that WilTel currently has effective Interconnection Agreements in the following States:

Current Legal Name in Verizon Systems	State	ICA Effective Date
Williams Local Network LLC	DC	5/12/2000
Williams Local Network LLC	MA	5/12/2000
Williams Local Network LLC	NY	5/12/2000
Williams Local Network LLC	PA (fBA)	5/12/2000
Williams Communications of Virginia Inc.	VA (fBA)	5/12/2000
Williams Local Network Inc.	WA	8/16/2000

As reflected in your June 15, 2004 notification of name change letter, there are a number of States in which you mention WilTel currently has an effective Interconnection Agreement with Verizon. When comparing the above list with your list, provided per the June 15, 2004 letter, the State of WA was not reflected in your list. In addition, there were a number of States that were included in your list that are not reflected in Verizon's records as indicated in the list above. Those States include: CA, DE, FL, MD, NV, NH, NJ, TX, WV.

Please verify:

- 1) that the above list of effective Interconnection Agreements reflected in Verizon's records is correct.
- 2) that WilTel has an effective Interconnection Agreement with Verizon in the following States: CA, DE, FL, MD, NV, NH, NJ, TX, WV.

Please feel free to give me a call at 972-718-3567 if you have any questions. Thank you for your attention to this matter.

Regards,

Scott Miles
