1   By Order issued in Docket No. UE-001951 on December 13, 2000, the Commission
allowed a new tariff Schedule 71, Energy Exchange Pilot Program, filed by
PacifiCorp d/b/a/ Pacific Power & Light (PacifiCorp) to become effective on less than
statutory notice. The Order also required 1) PacifiCorp to make its curtailment price
offers publicly available at its offices in Washington and at the Commission, and 2)
periodic reports to be filed with the Commission in a form and on a schedule sent by
the Secretary.

2   On February 22, 2001, PacifiCorp filed tariff revisions to Schedule 71 in Docket No.
UE-010250, which include an extension of the program termination date to
October 31, 2001. The revisions were allowed to go into effect on April 1, 2001.

3   PacifiCorp agrees to continue to comply with the public disclosure of current
curtailment price offers required by Order in Docket UE-001951.

4   Furthermore, PacifiCorp agrees to file quarterly reports on participation and key
aspects of the voluntary curtailments during the extension period.

5   This matter was heard by the Commission at its regularly scheduled meeting of
March 28, 2001.
