Ms. Carole Washburn, Secretary
Washington Utilities and Transportation Commission
PO Box 47250
Olympia, WA 98504

Dear Ms. Washburn:

Enclosed is a proposed revision to tariff 8.6 for Harold Lemay Enterprises, Inc. d/b/a Pierce County Refuse. The purpose of this proposal is to modify rates to the Fort Lewis residential housing contractor in accordance with the 2003 Master Waste Handling and Recycling Contract. The contractor has been notified of this increase and has agreed that the proposal has been made in accordance with the terms of the existing agreement.

If approved, revenue would increase approximately \$11,000 annually or about 2% of the contract amount. Because this change is made in accordance with an existing agreement, we request **less than statutory notice** with rates to become effective August 1, 2003

If you have any questions, please contact me at 253-536-4416 or 253-537-8689 (fax) or johnlloyd@lemayinc.com.

Respectfully,

John Lloyd
Controller
