BEFORE THE WASHINGTON UTILITIES AND TRANSPORTATION COMMISSION

In the Matter of the Petition by Qwest Corporation to Modify its SGAT

Docket No.
QWEST CORPORATION'S NOTICE OF UPDATED EXHIBIT A TO THE SGAT

Qwest Corporation (“Qwest”) submits this Notice of Updated Exhibit A to the Statement of Generally Available Terms and Conditions (“SGAT”), along with the modified Exhibit A, which is attached.¹

This Sixth Amended Exhibit A to the SGAT is being submitted as a “clean-up” filing to correct minor errors, remove duplicate entries, and to make other administrative, non-substantive changes. Specifically, Qwest determined that when it overlaid the nonrecurring rates ordered in Parts B and D of the cost docket, in a few situations it inadvertently included the Part B rate instead of the Part D rate. This filing corrects that error, and for the following five elements, the Part B rate has been replaced with the effective Part D rate: 9.2.4.1.1.3; 9.2.4.1.1.4; 9.2.4.2.1.3; 9.2.4.5.2.1; 9.23.8.5.2. No tariff changes are required as a result of this amendment.

Qwest respectfully requests that the Commission permit the amended Exhibit A to go into effect no later than 60 days after submission in accordance with 47 U.S.C. § 252(f)(3).

¹ The Exhibit A is provided in both “clean” and “redline” versions to facilitate review.
