Dear Ms. Young:

This letter is in reply to your letter concerning our company being out of compliance on the billing rule. We were sited that our billing card shows that payment is due by the 25<sup>th</sup> of the month.

We do not charge our customers a late fee if their payment is not in our office by the 25<sup>th</sup>. We are asking that you give us a waiver on this rule until we can use up our billing card stock. We estimate we have at least one year of billing stock.

We definitely want our company to be in compliance with the WUTC WACS. We appreciate your bringing this error to our attention.

Sincerely yours,

Diane Carter  
Manager
