Re: Marbello Water Co., Inc. – Rate Filing – Docket No. UW-041181 –
Supplemental Information

Dear Ms. Washburn:

Based on a conversation with Mr. Thompson, this letter will provide supplemental information concerning the above-referenced matter. The rate filing is based upon 2003 per books numbers, which have been previously provided to Commission Staff. The only pro forma adjustment is to add rate case costs of \$2,000.00 amortized over two years (i.e., \$1,000.00 to be included in rates). This may well understate rate case costs if a full case ensues.

Mr. Thompson also asked if the consumption numbers were provided. My records show that the consumption numbers have previously been provided to Commission Staff.

Please let me know if there are any further questions.

Sincerely,

RICHARD A. FINNIGAN
