

IMPORTANT NOTICE

Date: July 30, 2004

Rainier View Water Company, Inc. has filed for approval from the Washington Utilities and Transportation Commission to put an irrigation tariff in place. The purpose of the tariff is to limit the amount of water to those customers who use water for irrigation only. The limitation is that customers should use only the average daily use of all customers on the water system, which is 365 gallons per day. The tariff allows Rainier View to discontinue service to those persons who use water for irrigation that exceeds 365 gallons per day during the summer months. If approved, this tariff will be effective on August 30th, 2004

If you have any questions about the proposed filing, please call the Company at (253) 537-6634.

If you would like to comment on the proposal, it is important for you to do so now. Comments may be submitted in writing to: Washington Utilities and Transportation Commission, 1300 S. Evergreen Park Drive, SW, PO Box 47250, Olympia, WA 98504-7250 or by e-mail: comments@wutc.wa.gov. Comments may also be presented at the Commission's open meeting. All open meetings are held in Olympia, Washington.

If you would like to be added to the Commission's mailing list to be notified of the open meeting date, please call 1-800-562-6150 and leave your name, complete mailing address, the Company's name, and a description of the proposal you are interested in.

Sincerely,

Doug Fisher
