

I represent VCI Company (VCI). We understand that VCI's petition for
> waiver in Docket UT-042045 is slated for consideration at the
Commission's
> open meeting on December 29th. VCI requests moving the item to the
> January 26, 2005 open meeting because VCI's principal Stan Efferding
is
> not available on December 29th, and VCI's attorney David Rice is not
> available on the next open meeting date, which is on January 12th.
