Dear Commission:

This is a petition to request the temporary discontinuance of the Port Townsend route for a period of one year beginning June 30, 2005 and ending June 30, 2006, and makes minor tariff changes associated with this request. We also request to delete trips 5 and 6 from our schedule. Port Townsend has had low ridership making the run not cost effective. Passengers can still be serviced at the Hood Canal Bridge connection at the Hwy. 19/Hwy. 104 intersection Visitor Center. This stop services the Port Townsend/ Port Ludlow areas well without interrupting our normal service. Trips 5 and 6 have averaged approximately 1.5 passengers per run, making this service extremely unprofitable, which is the reason for discontinuing these runs. We are also requesting to adjust our departure times from Port Angeles, and Sequim 15 minutes earlier in order to have additional time to catch the Kingston ferry during the busy summer season.

Sincerely,

Jack Heckman  
President
