RE: Dahl-Smyth, Inc. - G-165

On behalf of Dahl-Smyth, Inc. I am filing certain revised tariff pages and other documents requesting a general rate increase effective January 1, 2006. This increase is necessitated by a disposal increase at the Sudbury Road Landfill owned and operated by the City of Walla Walla, WA. If this filing is approved by the Commission the hauler's revenue will increase approximately 4.16% or \$47,356.53.

This filing is for recovery of additional disposal fees under RCW 81.77.160. The Company hauled 8,137 tons of refuse for regulated customers during the test period ended October 31, 2005.

The following magnetic media files are included with this filing:

1. Rate Calculation - Disposal Increase. XLS
2. Tariff Revisions - 11-22-05 .XLS
3. LSN Form. PDF
4. Disposal Notice .PDF - This file contains the rate increase notice from the City of Walla Walla, notice of rates for ancillary disposal items and City of Walla Walla Ordinance Number 2005-20.

The Company will be including customer notices with customer billings at the end of the month. A copy of the customer notice will be filed with the Commission at the same time.

If there are questions regarding this filing, please contact the undersigned at 360-896-7470, voice, fax 360-256-9864 or email address weldon@jbcc.net.
