Discussion

On October 5, 2005, Purcell Transfer, LLC and Marcor, Inc., filed joint Application No. P-79407 to transfer Household Goods Carrier Permit No. HG-60566 under the exceptions contained in WAC 480-15-260. The application appeared on the Commission's December 19, 2005, application docket subject to comment for 30 days. No comments were received.

Under the exceptions to the application process contained in WAC 480-15-260 the Commission will grant an application to transfer permanent authority (without temporary operations) when the household goods carrier permit is being transferred to any shareholder, partner, family member, employee, or other person familiar with the company's operations and the household goods moving services provided.

Recommendation

P-79407 is an uncontested application and therefore no hearing is required. There are no outstanding issues that suggest staff should ask the Commission to set the application for hearing.

I recommend that Licensing Services Staff prepare an order to grant Application No. P-79407 without hearing and reissue Permit No. HG-60566 to Purcell Transfer, LLC.
