RE: Certificate G-000107 Tariff Revision

Dear Sirs:

This filing proposed a disposal fee increase. This increase is necessary to offset 15% increase in disposal fees. If approved by the Commission, these rates would increase our revenues by approximately 21,000.00.

I am also filing a LSN, due to the county not providing me with enough days to properly file for an increase.

As required by Commission rules, a copy of this letter will be mailed to the County Council and to the mayors of all cities impacted by this filing. We will be mailing customer notice to all affected customers on January 27, 2006.

If you have any questions regarding this filing, please contact Cindy Low. Her telephone number is 208 437 4502, fax number 208 448 2290, and e-mail [low@supersat2.net](mailto:low@supersat2.net).

Sincerely

Cindy Low
