RE: Penalty Assessment No: TN-060237

I do apologize for not being aware a report was due to the Washington Utilities & Transportation Commission.

We had staff turnover during this past year and could not ascertain why, at this time, we did not file this report. I know we always have been in compliance and of course would expect to file all reports to the state in a timely manner.

As I was not aware of this being due, I would like your consideration of no penalties at this time.

Please contact me with any questions or if you need additional information.

Thank you,

Jean Costanti-Oehler
