RE: Advice # 21 – Washington Exchange Carrier Association  
Supplement #1

**LSN Request: July 1, 2006**

Dear Ms. Washburn:

Beaver Creek Telephone Company has petitioned the Washington Exchange Carrier Association (WECA) for entry into the WECA pooling process. The Washington Carrier Access Plan (the Plan) requires companies wishing to enter the WECA pooling process to notify the Commission and WECA by the first day of a calendar quarter in order to be included in the pooling process beginning on the first day of the next calendar quarter.

Because Beaver Creek Telephone Company filed its petition after the first day of the quarter beginning April 1, 2006, they asked the Commission in Docket UT-060760 to waive the Plan's time of filing requirements to enable WECA to prepare and file a revised tariff to be effective July 1, 2006. WECA has prepared and filed the tariff revisions required to enable Beaver Creek Telephone Company to enter the WECA pooling process on July 1, 2006. **We are asking for LSN treatment of this filing to enable the rates to become effective on July 1, 2006.**

If you have any questions concerning the filing, please contact me at (360) 690-4535.

Sincerely,

Craig Phillips  
Administrator
