Dear AT&T Number Administration/Code Administration

This Letter of Intent, is for SAFECO INSURANCE to request 4000 CONSECUTIVE DIDS for **PRIME SERVICE**. **If the new numbers are in an NXX ending in the number 5, then the following block restrictions apply. If the new numbers are in an NXX ending with 3, 4 or 7, then we can use any blocks available with no conflicts.** We prefer not to have an NXX that ends in 0, 1, 2, 5, 6, 8 or 9 (in order to keep the last digit of the NXX and the first digit of the extension matching).

SAFECO INSURANCE agrees to activate the numbers requested within 180 days from AT&T's receipt of the requested numbers. SAFECO INSURANCE intends to order service using these numbers immediately after required testing is performed by AT&T. This service will be provided in the SEATTLE rate center using the STTLWANEDS0 switch.

Please indicate restricted blocks, citing the reason (e.g., PBX limitation, dial plan conflict)

X Block 0 (0000-0999) Technical Restriction: PBX Dial plan limitation

X Block 1 (1000-1999) Technical Restriction: PBX Dial plan limitation

__ Block 4 (4000-4999) Technical Restriction: _____

X Block 5 (5000-5999) Technical Restriction: PBX Dial plan limitation

X Block 6 (6000-6999) Technical Restriction: PBX Dial plan limitation

__ Block 7 (7000-7999) Technical Restriction: _____

__ Block 8 (8000-8999) Technical Restriction: _____

__ Block 9 (9000-9999) Technical Restriction: _____

Safeco Insurance is relocating their Home Office operations to downtown Seattle from the University District. Because of technology changes being made at this time, we cannot re-use our existing dial plan from that office and require numbers for approximately 2000+ employee's moving to the new locations. We are requesting 4000 numbers to accommodate the possibility
