RE: Rabanco LTD. Tariff Filing

Dear Ms. Washburn

Enclosed please find proposed Tariff No.4 of Rabanco LTD., d/b/a Lynnwood Disposal, Maltby Division, the purpose of which is a general rate increase request. The increase is necessary to offset increases in labor, fuel, healthcare, pension and other general operating expenses. If approved by the Commission, the overall revenue requirement increase reflected in this filing would approximate 3.2% or \$261,697.

As required by Commission rules, a copy of this transmittal letter will be mailed to the Snohomish County Chair impacted by this filing. We will be mailing customer notices to all affected customers on or before December 1, 2006. We will file a copy of the customer notices with your office prior to or at the same time as the mailing.

Finally, please note that some of the enclosed schedules contain privileged and confidential information that are being submitted under RCW 480-09-335. If you have any questions please call me at (425) 646-2426.
