**Re: *Transfer Application from Waste Management of Washington, Inc.
to Torre Refuse and Recycling, LLC***

Dear Secretary Washburn:

On behalf of Waste Management of Washington, Inc., as transferor, and Torre Refuse and Recycling, LLC, as transferee, enclosed please find **an amended territory description** for the application that was filed on February 24, 2007, seeking approval from the Washington Utilities and Transportation Commission to transfer a portion of certificate of convenience and necessity No. G-237 to certificate No. G-260, including pertinent attachments and the requisite application fee of \$200.

Upon an exceedingly careful and close review, Mr. Rey Dejos was able to find that our legal description as filed had one line off very slightly, which put it into the adjacent quarter section. The maps are unchanged, as is the subject of the transfer itself. However, we are providing this amended description so that the territory transfer can be published accurately. Mr. Dejos is to be commended for his attention to detail, and we appreciate his assistance.
