RE: Garfield County Comprehensive Solid Waste Management Plan TG-071707

Dear Mr. Morgan:

The Washington Utilities and Transportation Commission (commission) has completed its review of the preliminary draft of the Garfield County Comprehensive Solid Waste Management Plan Update for the years 2008-2013.

Commission staff's analysis of the Cost Assessment portion of the Plan shows no financial impact to ratepayers served by certificated solid waste collection companies in Garfield County. Carroll-Naslund Disposal Inc., operates the county-owned transfer station. The transfer station hauls the waste to Asotin County for disposal.

Please direct questions or comments about the commission's plan review process to Penny Ingram at (360) 664-1242 or by email at pingram@wutc.wa.gov.

Sincerely,

Carole J. Washburn
Executive Secretary
