RE: 8% Utility Tax assessed to Murrey's Disposal Co., Inc. G-9 by the City of Tacoma.

Dear Sirs:

Attached please find the request to add a 8% Utility Tax on gross receipts for all solid waste, recycling and yard waste including pass through dump fee to customers residing in the annexed area of the City of Tacoma for services performed by Murrey's Disposal Co., Inc. G-9.

We respectfully request Commission approval to amend filed Tariff Number 25 on Less Than Statutory Notice to revise Item No. 5, to add a 8% Utility Tax to customers residing in the annexed area. Currently there are 6 commercial customers with an average monthly revenue of \$10,000. The 8% Utility Tax is collected from customers as a separate line item on the billing.

If the 8% Utility Tax is approved, with Less Than Statutory Notice by the Washington Utilities and Transportation Commission, the 8% Utility Tax will become effective on January 1, 2008. The customers will receive notification of the 8% Utility Tax on the billing reflecting the change.

If you have any questions about this filing, please contact me at (253) 896-3278 or via email at [IrmgardW@WCNX.ORG](mailto:IrmgardW@WCNX.ORG).

Sincerely,

Irmgard R Wilcox  
Controller
