RE: Avista Utilities' 2007 Electric Service Reliability Report

Dear Ms Washburn:

Enclosed please find an original and two copies of Avista Utilities' 2007 Electric Service Reliability Annual Report pursuant to WAC 480-100-398. An electronic copy of this report has also been submitted to the Record Center. Please note that the Company has added a new section to the report which analyses the areas where customers are experiencing multiple sustained outages. This new section will analyze a new reliability indices called CEMI_n, which implies Customers Experiencing Multiple sustained Interruptions more than n times.

If you have any questions, please contact Mark Weiss at 509-495-2034 or feel free to contact me at 509-495-4975.

Sincerely,
