G-155

Registered Trade Name: Point Recycling and Refuse Company

Item 20 – Definitions, continued

Company-specific definitions:

Seasonal vacation

or weekend home: Is defined as a secondary residence used only for weekend or vacation use and not as a full time residence.

On-call service:

means garbage pickup service and drop-off recycling on other than regularly scheduled days, from a dwelling unit that is a seasonal vacation or weekend home. On-call garbage service does not include roadside recycling service and tends to be on a variable, infrequent basis.

Special container/cleanup:

Is a service where the customer requests on-call pickup of solid waste either loose or in a container where the customer is charged a pickup fee and a pass-through fee for the solid waste on a per pound basis. For Tariff purposes, rates for this service are outlined in item 240 (Special Container/Cleanup). If a pickup fee is charged, then Hourly time rates in Item 160 apply to all time over the first ½ hour. Disposal fees are in Item 230. Container weights are in Item 207.

Definition of Recycling:

In Point Roberts, Recycling is defined by the Washington State Department of Ecology and Whatcom County. Both Agencies have determined that Alternative Daily Landfill Cover (ADLC) is not a recycled material or a recycling process. Therefore, any material hauled to manufacture ADLC is actually garbage and a disposal process. Under State Law, only the WUTC Certificated Hauler in Point Roberts, Point Recycling and Refuse Company, can haul garbage for disposal. Any other companies hauling materials for ADLC are in violation of State Law and subject to enforcement action by the WUTC.
