2009 Integrated Resource Plan Work Plan

Dear Ms. Washburn:

Attached please find an original and two copies of the Work Plan for Puget Sound Energy, Inc.'s ("PSE" or "the Company") 2009 Integrated Resource Plan ("IRP"). This Work Plan is filed pursuant to the Washington Utilities and Transportation Commission IRP rules under WAC 480-90-238(4) and (5); and WAC 480-100-238 (4) and (5).

The Work Plan includes:

- Section I: Anticipated Timeline for Public Participation
- Section II: Summary of Methods for Assessing Resources
- Section III: Outline of Content.

PSE has already initiated dialogue with stakeholders for the 2009 IRP and held a kick-off meeting on April 3, 2008. PSE looks forward to continuing this process as we work through numerous details necessary to develop a well supported IRP. PSE will file the final IRP by May 30, 2009.

Please contact Phillip Popoff, Manager-Integrated Resource Planning, at (425) 462-3229 with any questions or feedback pertaining to the Work Plan. Please feel free to contact me at (425) 462-3495 if I can be of any assistance.

Sincerely,
