Company Name/Permit Number: Sanitary Disposal, Inc/G-173

Registered Trade Name: Sanitary Disposal, Inc.

Item 45 – Material Requiring Special Testing and/or Analysis

When a solid waste collection company or disposal facility determines that testing and/or analysis of solid waste is required to determine whether dangerous or prohibited substances are present, the actual cost for such testing and/or analysis will be paid by the customer. The company must provide the customer with a copy of any bill or invoice for costs incurred for testing and/or analysis and also must retain a copy in the company's file for at least three years. Those costs shall be passed through to the customer without markup. The company must maintain records of time spent to accomplish the special testing and/or analysis, and may bill the customer for that time under the provisions of Item 160 (Time Rates).

Item 50 – Returned Check Charges

Returned check charge. If a customer pays with a check, and the customer's bank refuses to honor that check, the customer will be assessed a returned check charge in the amount of \$ ____.

Item 51 – Restart Fees

N.A.

Item 52 – Redelivery Fees (A)
Cart & Containers

If a cart or container is removed for non-payment and service is resumed or if a customer stops service and then restarts service at the same address within 30 days the charges in this item will apply. Rates in Item 210 apply.

Item 70 – Return Trips (A)

When a company is required to make a return trip, that does not require the special dispatch of a truck, to pick up material that was unavailable for collection for reasons under the control of the customer, the following additional charges, per pickup, will apply:

\$56.75 per hour, plus disposal fees.

NOTE: Return trips requiring the special dispatch of a truck are considered special pickups and are charged for under the provisions of Item 160 (Time Rates):

Item 80 – Carry-out Service, Drive-Ins

Companies will assess the following additional charges when customers request that company personnel provide carry-out service of cans/units not placed at the curb, the alley, or other point where the company's vehicle can be driven to within ten feet of the cans/units using improved access roads commonly available for public use. Driveways are not considered improved access roads commonly available for public use.

Company Name/Permit Number: Sanitary Disposal, Inc/G-173

Registered Trade Name: Sanitary Disposal, Inc.

Item 160 – Time Rates (A)

When time rates apply. Time rates named in this Item apply:

- When material must be taken to a special site for disposal;
- When a company's equipment must wait at, or return to, a customer's site to provide scheduled service due to no disability, fault, or negligence on the part of the company. Actual waiting time or time taken in returning to the site will be charged for; or
- When a customer orders a single, special, or emergency pickup, or when other items in this tariff refer to this Item.

How rates are recorded and charged. Time must be recorded and charged for to the nearest increment of 15 minutes. Time rates apply for the period from the time the company's vehicle leaves the company's terminal until it returns to the terminal, excluding interruptions. An interruption is a situation causing stoppage of service that is in the control of the company and not in the control of the customer. Examples include: coffee breaks, lunch breaks, breakdown of equipment, and similar occurrences.

Disposal fees in addition to time rates.. Item 230 disposal fees for the specific disposal site or facility used will apply in addition to time rates.

Item 207 – Excess Weight – Rejection of Load, Charges to Transport (A)

The company reserves the right to reject pickup of any container, stationary packer, or drop box which, upon reasonable inspection:

- Appears to be overloaded;
- Would cause applicable vehicle load limitations to be exceeded;
- Would cause the company to violate load limitations or safe vehicle operation; and/or
- Would negatively impact or otherwise damage road surface integrity.

For the purposes of this tariff, the following maximum weights apply:

Type/Size of Container, Drop Box, Toter, or Cart	Maximum Weight Allowance (in pounds)
