To whom it may concern,

We are requesting a fuel surcharge to our passenger fares, at a rate to reflect the cost of fuel at this time.

Enclosed you will find:

1. Special Fuel Surcharge Supplement No. 36 replacing Supplement No. 35
2. 2007 Boat Fuel Surcharge Calculation Sheet – Nicki Johnson (WUTC staff) assisted us in preparing this statement.
3. L.S.N. request to waive statutory requirements giving us permission to begin the fuel surcharge on 06/23/08
4. Copies of our most recent bulk fuel purchases have been faxed to 360-586-1130 Attn: Nicki Johnson. We bought a short load on 6/8/08 because the price per gallon was at an all time high. Four days later we purchased more fuel when the price had dropped by .20 cents per gallon. Therefore, we are submitting both invoices, with the price per gallon calculated on the combined shipments.

We respectfully request your approval of these changes to our tariff 63. If additional information is needed, please contact Cindy Engstrom at 509-682-2012. Thank you for your consideration.

Sincerely,
Jack D. Raines
