RE: Docket No. UE-082241 (Advice No. 2008-34)  
Substitute Electric Tariff Sheets – **Do Not Redocket** - Filed Electronically

Dear Mr. Danner:

Puget Sound Energy, Inc. (the “Company” or “PSE”) hereby submits, in connection with Docket No. UE-082241, the following substitute tariff sheets to replace the tariff sheets filed on December 19, 2008, under the Company’s Advice No. 2008-34. This substitute filing is pursuant to RCW 80.28.060 and Chapter 480-80 WAC and includes the following portions of the Company’s tariff for electric service:

**WN U-60, Tariff G (Electric Tariff)**

Original Sheet No. 216 - Schedule 216 – Electricity Energy Efficiency Program – Incentive for Existing Electric Residential Conversion to Natural Gas

Original Sheet No. 216-a - Schedule 216 – Electricity Energy Efficiency Program – Incentive for Existing Electric Residential Conversion to Natural Gas (Continued)

The purpose of this filing is to provide substitute tariff sheets reflecting a change in effective date of the tariff sheets from January 19, 2009, to January 30, 2009. This change to these tariff sheets is being made following a discussion with the Commission’s Staff.

The enclosed substitute tariff sheets reflect issue dates of December 19, 2008, and effective dates of January 30, 2009. These substitute tariff sheets do not increase the rates contained in the pending tariff sheets or make any material changes to the tariff sheets and are being made to reflect changes agreed upon with the Commission’s Staff. Therefore, substitution should be allowed as provided in WAC 480-80-111(1) (a) and (b).
