RE: Change in Disposal Fee and Correction in Container Pricing

Dear Mr. Danner:

Enclosed are revisions to Blaine Bay Refuse, Inc.'s (BBR or Blaine Bay) Solid Waste Tariff No. 3 for Permit G-145. These tariff pages have an issue date of February 11, 2009 with an effective date of April 1, 2009.

The disposal rate we are currently being charged has increased by \$0.74. Attached to this filing you will find a letter from our disposal site showing the new rate per ton that we will be paying. We will notify each customer that will be impacted by the rate change by telephone.

The filing made in November omitted a change that should have been corrected. The pickup charge for a 2 yard container currently shows a dollar amount less than the 1.5 yard container. We are filing a new page 39 to correct this oversight. Currently there are no customers with this service.

There is also an LSN attached requesting an effective date of March 1, 2009 for these changes.

If you have any questions relating to this filing please contact me at (360) 734-3490.

Sincerely,

Ed Nikula
Vice-President
