Verizon Northwest Inc. submits for filing Contract No. 1386ICB, an amendment that adds Washington to a customer specific contract to provide ISDN-PRI with DS1 service for twenty-four months. The agreement that is being amended is also provided.

The service is offered under contract because the packaging and negotiated rates are not available under tariff. The company requests an effective date of April 25, 2009 for this contract.

Verizon submits the documentation required in Section 7 of WAC 480-80-142. Verizon considers the customer identity and the cost computations required under sub-section 7 (b) (iii) to be confidential and protected under the provisions of WAC 480-07-160 and under the exemption from disclosure requirements per the Public Records Act, Chapter 42.56 RCW. These items are marked "Confidential per WAC 480-07-160". The company, for commercial reasons, may be harmed if this information is not treated by the Commission as confidential.

With regards to the contract, Verizon will comply with any applicable resale obligations required by RCW 80.36.170 and 80.36.180.
