BACKGROUND

- 1 On April 23, 2009, Inteltrace, Inc. (Inteltrace or Company), filed with the Washington Utilities and Transportation Commission (Commission) a petition for an extension of time to file its annual report for 2008 as required by WAC 480-120-382. According to Inteltrace, it is unable to prepare the report due to information not being readily available at this time. Inteltrace seeks an extension until May 31, 2009.
- 2 Commission Staff reviewed the request and recommended granting Inteltrace’s request for exemption.

FINDINGS AND CONCLUSIONS

- 3 (1) The Washington Utilities and Transportation Commission is an agency of the State of Washington vested by statute with the authority to regulate public service companies, including competitively classified telecommunications companies. *RCW 80.01.040, RCW 80.04 and RCW 80.36.*
- 4 (2) Inteltrace is a competitively classified telecommunications company and a public service company subject to Commission jurisdiction.
- 5 (3) Inteltrace is subject to WAC 480-120-382, which requires competitively classified telecommunications companies to file an annual report no later than May 1 of each year.

- 6 (4) Under WAC 480-120-015, the Commission may grant an exemption from any rule in WAC 480-120, if consistent with the public interest, the purposes underlying regulation and applicable statutes. *See also WAC 480-07-110.*
- 7 (5) This matter came before the Commission at its regularly scheduled meeting on April 30, 2009.
- 8 (6) After reviewing the petition Intelletrace filed in Docket UT-090577 on April 23, 2009, and giving due consideration, the Commission finds that the exemption is in the public interest and is consistent with the purposes underlying the regulation and applicable statutes and should be granted.
