7(b) (iii)

Demonstrate, at a minimum, that the contract charges cover the company's cost of providing the service. Costs will be determined under a long-run incremental cost analysis, including as part of the incremental cost, the price charged by the offering company to other telecommunications companies for any essential function used to provide the service, or any other commission-approved cost method.

The attached confidential cost documentation demonstrates the contract charges cover the company's cost of providing the service.
