7(b) (iii)

Demonstrate, at a minimum, that the contract charges cover the company's cost of providing the service. Costs will be determined under a long-run incremental cost analysis, including as part of the incremental cost, the price charged by the offering company to other telecommunications companies for any essential function used to provide the service, or any other commission-approved cost method.

This is a new agreement that provides PS/ALI Service for a term of sixty (60) months. This contract continues service provided under an expiring agreement, for which only a one-time NRC was assessed. See UT-080779. The attached confidential cost documentation demonstrates such charge covers the company's cost of providing the service.
