RE: Commodity Credit Adjustment for Tariff Number 8, Certificate Number G-98,  
Pacific Disposal and Butlers Cove Refuse Service.

Dear Sirs:

Attached please find revised pages for Tariff Number 8, as well as supporting documentation for the commodity credit adjustment. Tariff pages 1, 21 and 24 are affected by this change.

The data schedule contains nineteen months of recycling tonnage and material revenue, due to the six month extension granted by the Commission under TG-082057 December 2008.

The credit will decrease from \$2.09 to \$1.88 a decrease of \$.21 per residential customer per month. Multi-family will decrease from a \$1.30 credit to a \$.49 debit a decrease of \$1.79 per customer per month.

If approved, by the Washington Utilities and Transportation Commission, the revised commodity credit will go into effect on July 1, 2009. The customers will receive notification of this change on the billing reflecting the change.

If you have any questions regarding these revisions, please contact me at (253) 896-3278, (253) 377-4208 cell, or via email at [irmgardw@wcnx.org](mailto:irmgardw@wcnx.org).

Sincerely,

Irmgard R Wilcox  
Controller
