The purpose of this filing is to provide substitute tariff sheets reflecting a change in effective date of the tariff sheets from June 22, 2009, to June 26, 2009. This change to these tariff sheets is being made following a discussion between PSE and the Commission’s Staff.

The enclosed substitute tariff sheets reflect issue dates of May 22, 2009, and effective dates of June 26, 2009. These substitute tariff sheets do not increase the rates contained in the pending tariff sheets or make any material changes to the tariff sheets and are being made to reflect changes agreed upon with the Commission’s Staff. Therefore, substitution should be allowed as provided in WAC 480-80-111(1) (a) and (b).
