RE: Advice No. WA 09-06 for United Telephone Company of the Northwest

Dear Members of the Commission:

On July 28, 2009, a proposed revision to the United Telephone Company of the Northwest WN U-3 was filed. This revision, found under UTC Docket UT-091196, was submitted with a July 28, 2009 issue date and a proposed effective date September 1, 2009. The purpose of this filing was to revise an existing Business Customer Incentive program referred to as the "Business Save Program".

By way of this letter, we respectfully request permission to withdraw the tariff filing. If you have any questions regarding this request, please contact me at 913-345-7535.

Sincerely,

Greg Griffle
