Note1: Permanent Service: Service is defined as no less than scheduled, every other week pickup, unless local government requires more frequent service or unless putrescibles are involved. Customer will be charged for service requested, even if fewer containers are serviced on a particular trip. No credit will be given for partially-filled containers.

Accessorial charges assessed (lids, unlocking, unlatching, etc.)

An initial delivery charge of \$38.00 will be assessed of customers request delivery of a compactor.

A flat monthly charge, per container, for permanent regularly scheduled customers may be made if computed as described in Item 75.

If a company employee disconnect/reconnect compactor a charge of \$5.50 per haul will be assessed.

Customers receiving service will receive a commodity price adjustment of \$.24 (R) credit per yard per pick-up. The commodity price adjustment will be adjusted annually using the deferred accounting method.

Above rates include \$3.63 per yard, per pick-up for recycling service.

		Recycling rates on this pa	ige expire on: October 3	31, 2010 (C)
