Re: Docket No. A-091590
Puget Sound Energy's Preparedness Plans for Potential Green River Valley Flooding for
2009-2010 and Subsequent Storm Seasons

Dear Mr. Danner:

In preparation of Puget Sound Energy, Inc.'s ("PSE's" or the "Company's") presentation at the Commission's October 15 open meeting, enclosed are an original and one redacted copy of PSE's confidential report on the Company's preparedness plans for potential Green River Valley flooding (the "Report"). Also enclosed are an original and twelve copies of the unredacted version of the Report. The Report contains background and detailed information on PSE's exposure to Green River Valley flooding and preparations to mitigate the impact on natural gas and electric service that the Commission may find helpful in evaluating PSE's readiness. The Company will be presenting the key elements of the Report at the Commission's October 15 open meeting.

The Report has been marked confidential. Accordingly, regarding the contents thereof, PSE claims confidentiality and protection from inspection or copying. Disclosure of the confidential information in the Report could affect service to all customers of the Company. Conforming to WAC 480-07-160, the confidential pages submitted herewith have been sealed in an envelope clearly marked Confidential and each page of the filing containing confidential information has been marked "Confidential per WAC 480-07-160."

Please contact Mei Cass at (425) 462-3800 for additional information about this filing. If you have any other questions, please contact me at (425) 462-3495.

Sincerely,

Tom DeBoer
Director, Federal & State Regulatory Affairs
