RE: Docket No. UE-100029
Request to Withdraw Filed Work Paper – **Do Not Redocket**

Dear Mr. Danner:

On January 4, 2010, Puget Sound Energy, Inc. ("PSE") filed electronically its 2009 Electric Line Extension Cost Study results in accordance with the 2003 line extension collaborative agreement. The Excel file, "2010-01-04 Electric line ext info Workpaper.xls", submitted along with the initial filing should not have been part of the e-file submission. PSE respectfully requests, therefore, that it be allowed to withdraw the filed Excel file and that the file be removed from the Commission's web site, <http://www.wutc.wa.gov/>.

PSE is currently working with the Commission Staff in reviewing the results of the study and the documents and workpapers supporting the filed study results have been provided to Staff through the informal data request and response process since the initial filing.

Please contact Mei Cass at (425) 462-3800 for additional information about this request. If you have any other questions, please contact me at (425) 462-3495.

Sincerely,

Tom DeBoer
