Advice No. 2010-03– Natural Gas Tariff Filing

Dear Mr. Danner:

Pursuant to WAC 480-90-198, Notice Verification and Assistance, Puget Sound Energy (the “Company”) is providing this statement that it has posted the above-referenced filing in accordance with WAC 480-90-193(1), Posting of Tariffs for Public Inspection and Review; Web, Telephone, and Mail Access.

The Company also states that notice to the public of the filing referenced above was completed in accordance with WAC 480-90-195, Notice of Tariff Changes Other Than Increases in Recurring Charges and Restrictions in Access to Services. The following bill message is being provided to each of the 6,337 affected customers with the first bill after the change became effective.

“The February 26, 2010 change in rates is the result of a change in the rate of the City of Maple Valley's city tax. The city tax rate on your bill has changed from 2.40% to 3.23%. These rates include the effect of state and local taxes on the city tax and deductions allowed by the city.”
