RE: Tariff Submittal, for Yakima Waste Systems, Inc. G-89.

Dear Mr. Danner:

We respectfully request Commission approval to amend filed Tariff Number 10 to lower the Utility Tax from 25% to 20% to customers residing in the City of Mabton. Currently there are 9 residential and 6 commercial customers serviced by Yakima Waste Systems within the annexed area. The 20% Utility Tax will be collected from customers as a separate line item on the billing. Ordinance No. 916 was passed by the City Council December 22, 2009, attached.

If approved, by the Washington Utilities and Transportation Commission, the 20% Utility Tax will become effective March 1, 2010. The customers will receive notification of this change on the first billing reflecting the decrease.
