Ferry County Public Works

Dear Ms. Cromwell:

The Washington Utilities and Transportation Commission (Commission) has completed its review of the preliminary draft of the Ferry County Comprehensive Solid Waste Management Plan Update (Plan) for the years of 2011-2017 in Docket No. TG-100875.

Staff's analysis of the Cost Assessment portion of the Plan shows no impact to regulated ratepayers in Ferry County. The Plan states that disposal fees will not increase from the current \$134.00 per ton.

Please direct any questions or comments about the commission's Plan review process to Ms. Penny Ingram at (360) 664-1242 or by email at pingram@utc.wa.gov.

Sincerely,

David W. Danner
Executive Director and Secretary
