Permit No.  
THG-63799

Household Goods and General Commodities (excluding Armored Car Service and Hazardous Materials) in the state of Washington.

The authority in this permit is temporary to allow First USA VanLines, LLC, an opportunity to provide service as a household goods carrier on a provisional basis for six months during which time the commission will evaluate whether the applicant has met the criteria for obtaining permanent authority under the provisions of WAC 480-15-330.

The authority granted in this permit is only effective while the applicant complies with the terms and conditions of Docket TV-091598 and only until such time as the commission, by further order grants, denies, or, dismisses the application for permanent authority in Application TV-091598, or otherwise cancels the authority granted.

This permit shall automatically terminate upon either the entry of a commission order granting or approving withdrawal of Application TV-091598 for permanent household goods carrier authority, or in case Application TV-091598 is denied, dismissed, or the relief sought under Application TV-091598 is limited in any way by commission order, upon the expiration of the last day for seeking review of the commission order or a later date fixed by order of a reviewing court.
