RE: Tariff Submittal, for Waste Connections of Washington, Inc. G-253.

Dear Mr. Danner:

Our company has been notified that the tipping fee in Clark County will increase from \$79.35 to \$80.96 per ton, a 2.03% increase for non-drop box transactions and from \$70.26 to \$71.68 per ton a 2.03% increase for commercial drop box transactions effective January 1, 2011. This will increase revenue and expense for the packer routes by \$106,346 and drop box service by \$25,465 for a 12-month period. The last general rate increase for Waste Connections of Washington, Clark County, was November 1, 2008.

Attached are revised pages for tariff number 2 as well as supporting documentation to justify this increase. If these rates are approved by the Washington Utilities and Transportation Commission they will become effective January 1, 2011. The customers will receive notification of the change on the first billing reflecting the increased rates.
