RE: Return of Documents Submitted in Docket UE-101979

Dear Ms. Davison:

On December 10, 2010, the commission received documents from Jacqueline E. Smith of Davison Van Cleve PC, identified as a "Joint Complaint of Industrial Customers of Northwest Utilities (ICNU) and Public Counsel v. Pacific Power & Light Company" (Complaint).

On January 5, 2011, you submitted a letter requesting to withdraw the Complaint and to have the commission return to ICNU the original and all copies of the Complaint.

This letter confirms that the Records Center has collected all available copies of the Complaint and is holding them in the Records Center for you to retrieve.

If you have any further questions on this subject, please contact Lisa Wyse via e-mail at [lwyse@utc.wa.gov](mailto:lwyse@utc.wa.gov) or at 360-664-1259.

Sincerely,

David W. Danner  
Executive Director and Secretary
