Re: Docket No. UE-101992
Advice No. 2010-39 – Electric Tariff Filing

Dear Mr. Danner:

On December 13, 2010 Puget Sound Energy (the “Company”) filed with the Commission proposed changes to Schedule 81, Tax Adjustment affecting approximately 358 electric customers within the City of Roy. Pursuant to WAC 480-100-198, Notice Verification and Assistance, the Company is providing this statement that it has posted the above-referenced filing in accordance with WAC 480-100-193(1), Posting of Tariffs for Public Inspection and Review; Web, Telephone, and Mail Access.

The Company also states that notice to the public of the filing referenced above is being completed in accordance with WAC 480-100-195, Notice of Tariff Changes Other Than Increases in Recurring Charges and Restrictions in Access to Services. The following bill message is being provided to each affected electric customer with the first bill after the change became effective.

“The January 13, 2011 change in rates is the result of the City of Roy's change in city tax. The city tax rate on your bill has changed from 5.21% to 6.25%. This rate includes the effect of state and local taxes on the city tax and deductions allowed by the city.”
